

Name _____ Class _____

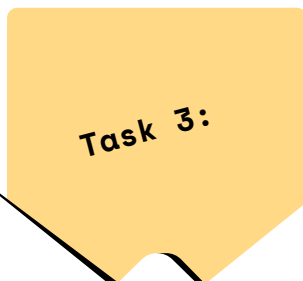

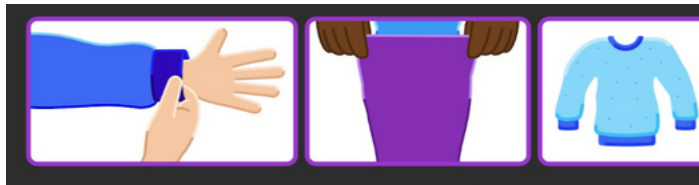

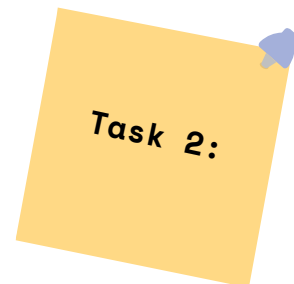

Where might ticks be found:

-
-
-
-

How do you protect yourself from ticks:

-
-
-
-

Design and create a mini poster that highlights key information about ticks and Lyme disease.

Your poster should include:

- What ticks look like and where they can be found.
- Prevention tips and steps to take if bitten.
- Information on what to do if Lyme disease is suspected.

Use colours and diagrams to make your poster engaging and informative.
